Welcome to our place

April weather patterns were kind to us over the Easter break, many saying summer had arrived late. It was nice to finally get some settled weather and simply enjoy it. It would have to be one of the best Easter breaks I can remember for many years. The family and I took our caravan to Wainuiomata (where?) for a family get together and soaked up the sun, chocolate and a few beers. Very nice.

This month we will be doing our annual stock take and this will take place on Thursday, the 31st May. We do not close and it's business as usual. We will have about 5 teams of two counting and hopefully this

will be finished late morning or early afternoon. We appreciate your patience if you happen to need us during this time.

There has been no significant threat from facial eczema this year. Spore counts never really rose to any levels to worry about. In fact, the counts for 2012 have been the lowest recorded since monitoring began 10 years ago. John Pickering said no clinical cases of facial eczema have been recorded in the district this year.

NAIT approved RFID tags will be mandatory for any cattle movements on and after 1st July 2012. Please make sure that you're compliant by 1st July if cattle are moving from this

date. If you need to know more call us or the NAIT free phone number 0800 624 843.

Check out some of the cool specials this month. There's something for everyone.

Congratulations to Rex McKinnon for winning the second barbecue from our Eurocorp promotion. We can't wait to taste those sausages!

Regards from Scott, Wally, Dean, Debbie and Angela.

Agrecovery Rural Recycling Programme

Agrecovery now has 55 participating brand owners. All these companies contribute to the scheme so all you have to do is drop off the triple rinsed, dried qualifying drums with labels left on for identification purposes.

We inspect each drum for compliance and then put them in the container for collection. The system is simple and very effective. Drums which do not comply are rejected.

Oh, you make me laugh you do!

Legal laughter

The following questions from lawyers were taken from official court records ...

1. Was that the same nose you broke as a child?

2. Now, doctor, isn't it true that when a person dies in his sleep, in most cases he just passes quietly away and doesn't know anything about it until the next morning?

3. Q: What happened then?
A: He told me, he says, "I have to kill you because you can identify me."
Q: Did he kill you?

4. Was it you or your brother that was killed in the war?

5. The youngest son, the 20-year-old, how old is he?

6. Were you alone or by yourself?

7. How long have you been a French Canadian?

8. Do you have any children or anything of that kind?

9. Q: I show you exhibit 3 and ask you if you recognize that picture.

A: That's me.

Q: Were you present when that picture was taken?

10. Were you present in court this morning when you were sworn in?

11. Q: Now, Mrs. Johnson, how was your first marriage terminated?

nated?

A: By death.

Q: And by whose death was it terminated?

12. Q: Do you know how far pregnant you are now?
A: I'll be three months on November 8.

Q: Apparently, then, the date of conception was August 8?

A: Yes.

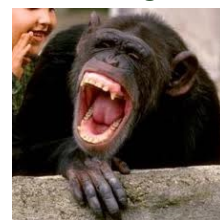

Q: What were you doing at that time?

13. Q: Have you lived in this town all your life?

A: Not yet.

14. So you were gone until you returned?

15. You don't know what it was, and you didn't know

what it looked like, but can you describe it?
